Bayshore City Council Sued

Claude C. Higgins, one-time police chief in Bayshore City, San Mateo County's newest incorporated municipality and scene in the past few years of much political strife, Tuesday filed a sensational civil suit in superior court here accusing seven city officials of embezzlement and malfeasance in office.

He asked:

1. Immediate removal of the entire Bayshore City City Council, city clerk and city treasurer.
2. Return of \$2000 assertedly given to the city for relief purposes in 1934.
3. Return of \$900 allegedly paid in rent by the city to the Bayshore City Voters' League for use of the Voters' League Hall for city purposes.

FRANK FLYNN IS COUNSEL

Higgins is represented by Capt. Frank A. Flynn, former Mills Field superintendent and attorney for the Bayshore Sanitary District during the famous garbage war with San Francisco.

Higgins' civil suit, latest bombshell in the little north county city which has undergone a series of political upheavals since its incorporation, charges Mayor John P. Lawson and other city officials with embezzlement of the \$2000 relief fund.

The complaint declares that the fund was put up by the San Mateo Greyhound Breeders Association, operators of the dog track there, Sept. 29, 1934. The same day, Higgins charges, Mayor Lawson instructed City Treasurer Leta Riley to cash the check and turn the money over to him. No accounting has ever been made, Higgins declares, and he contends that the money was never spent for the sick, the indigent, and for relief work as intended.

"The plaintiff... believes... that said defendants have misappropriated, illegally obtained, and embezzled the said sum of \$2000," the complaint says.

COUNCILMEN HEAD LEAGUE

The \$900 rental paid the Bayshore Voters League for use of their hall was illegal, Higgins contends, because the members of the council were the officers and owners of the hall, and thus, in effect, contracted with themselves for city funds.

Defendants in Higgins' action are Lawson, Councilmen Harry H. Smith, Matthew S. Parker, A. R. Herrmann, and J. B. Malone; City Treasurer Riley, City Clerk Emma C. Shaw, and the city itself.

Whenever he boxes in Canada, Al McCoy, Boston heavyweight, is billed under his real name, Florian LaBrasseur.

"Come On Out! It's Spring Again"

Good-bye Winter! Youngsters everywhere are celebrating the return of spring with such active but sometimes hazardous sports as roller skating, tree-climbing and fence-walking. It's all good fun, but highly productive of cuts, scratches and bruised shins and knees. These injuries are not dangerous unless neglected. Minor wounds are best treated by swabbing with iodine or mercurchrome, applying a surgical gauze and wrapping with sterilized adhesive tape. A new sterilized adhesive tape is now available which protects against infection.

MUSICAL HIT ON SEQUOIA SCREEN

Starting Sunday, Deanna Durbin will charm Sequoia audiences in her newest musical hit, "Mad About Music," in which she is co-starred with Herbert Marshall.

Power Firm Cost In Bond Campaign Set at \$2280.77

The successful fight waged by the Pacific Gas and Electric Co. to defeat the \$575,000 power bond issue in Redwood City which was voted on Nov. 2, 1937, cost the utility \$2280.77, it reported to the State Railroad Commission.

The report, filed by the P. G. & E. and the San Joaquin Light and Power Co., disclosed the utilities expended a total of \$42,942.98 in campaigns against four municipal power proposals in California during 1937.

The report is mandatory under state law. It covered expenditures used to defeat municipal projects in San Francisco, where \$25,300.73 was expended; Fresno, \$13,881.82; and Oroville, \$1,449.6, in addition to the Redwood City issue.

The local bond issue would have been to provide funds to take over the distributing system of the P. G. & E. in Redwood City.

In The Dark!

(RIGHT)—This is a picture of a man and his wife in a jet black room with a jet black cat. Neighbors might die, schools might close, their bank might be robbed, their taxes raised—but they would know nothing about it because they live in a jet black room and don't read their local newspaper.

In The Light!

(LEFT)—This is a picture of a man and his wife in a well lighted room with a well edited newspaper.

They live happily. Their living expenses are less because they watch the advertisements of local merchants and they know all the news and enjoy the feature articles in the Tribune.

MENLO PARK NEWS NOTES

Michael Sullivan, who passed away at a local rooming house Monday, was very well known here. For a time he resided at the Palm Hotel. He was a retired army sergeant, having spent 30 years in the service.

Mr. Sullivan served in the Philippines for a number of years and was with General Pershing in his campaign in Mexico some years ago. Mr. Sullivan, in his reminiscent moods, loved to tell of his adventures with the army in its early occupation of Mexico and the hazardous campaign in pursuit of the noted bandit who robbed and killed many Americans.

St. Mary's College celebrates this year the 75th anniversary of its founding. In grateful recognition of this fact and of the many fruitful years that the Christian Brothers have been in the Bay District, holding high the lamp of education and fostering the traditions of culture, the citizens of San Francisco, where, in 1863, St. Mary's had her origin, have planned a civic banquet of thanksgiving and jubilation.

The banquet will take place in the Palm Court of the Palace Hotel. Many former students of the old college from Menlo Park and Palo Alto will attend.

Before the opening of Stanford University a great number of young men residing on the Peninsula enrolled in the institution, then located on Mission Rd.

Since their departure from Montana Jan. 1 they had toured Southern California and made a steamer trip to the Panama Canal Zone. They are annual visitors to California.

"Native Daughters of the Golden West" will give a spirited husle for votes will begin next week. Apr. 12 is election day. Three trustees are to be chosen. Rumor has it that W. H. Weedon will be the next mayor of the city.

John B. Welsh is recovering from his recent illness. However, it will be some little time before he resumes his seat on the city council.

Father Maurice O'Brien, assistant pastor of Church of the Nativity, departed this week for his old home in Ireland. Father O'Brien goes to visit his aged mother, who is quite feeble. She is desirous of seeing her son once again before the final summons comes.

Next month the owner of the corner on the highway at Oak Grove Ave. will begin tearing down a portion of the old buildings on the property, formerly owned by the late J. H. O'Keefe. He will replace them with fine new structures. The main building on the corner will remain.

License Swap Five Points Results in Fine Group Formed

Fast thinking on the part of the brothers Comer cost them \$35 in the justice of the peace court, the court records revealed today.

Franck Comer of Ferndale Way, Emerald Lake, was driving a car owned by John Comer, in the third lane on Bayshore Hwy. Mar. 20 when stopped by State Highway Patrolman William Francis. He handed the officer a driver's license belonging to his brother, Charles Comer, Los Angeles.

Judge McAuliffe fined Franck Comer \$25 for third lane driving without a license, then fined Charles Comer \$10 for lending the license.

Other traffic court victims included James St. Clair Garnett, Menlo Park, \$15 for speeding; George E. Wilcox, Palo Alto, Thomas M. Jawkins, Palo Alto, and C. E. Needham, Menlo Park, \$25 each for passing stop signs.

Dr. E. F. Roth, Palo Alto, arrested for speeding between 80 and 90 miles an hour on Bayshore Hwy. between San Carlos and East Palo Alto, was given a suspended sentence when he explained he was on an emergency call.

The earliest complete clock of which there is certain record was made by a Saracen mechanic in the 13th century.

Having for its sole purpose the betterment of the Five Points district of Redwood City, in the vicinity of El Camino Real and Woodside Rd., a "YMCA Improvement Movement for Five Points" organization was formed at a meeting in Washington School Monday night.

Some 35 determined young men of the district, between the ages of 15 and 20, along with Miss Rose Ramon, Sequoia High School student who has been instrumental in forming the organization, discussed the problems of their area with T. M. Badley, executive secretary of the Young Men's Christian Association, and Ronald Anderson, Sequoia High School teacher of social problems.

Jack Leahy was chairman at the first meeting. Ed Davenport was selected to preside at the next meeting, set for last night at the school.

Frankly admitting that reputation of the Five Points district could be bettered, and in the belief that their neighborhood could be made more attractive from a physical standpoint, the group considered means of aiding the section, deciding to form several organizations under which the work can be carried on.

At suggestion of Badley, it was

Bus Line Operation Due Within 60 Days

Walter Vandevort, owner of bus lines in Burlingame, said he would have his new Redwood City lines in operation within 60 days. He told City Manager C. L. Dimmitt that he had been prevented from starting them sooner because of inability to secure a body for his bus, chassis of which he already has obtained. The body is being built in San Francisco.

decided that a young men's club, a Hi-Y Club, or similar groups would be formed.

Also considered was the possibility of securing a city-owned supervised playground for the district. This topic and the means of setting up an improvement project are to be considered Thursday.

Sponsorship to the organization was proffered by the YMCA, Badley said, and accepted.

200 Tickets Sold For Merchant Dinner

A full program of dancing, singing and music is planned, Territo said.

Ticket sales are in the charge of A. J. Brown and can be secured from him or Territo, B. F. Mackler, W. D. Ryan, Charles Mitchell, P. A. Ryan, Leo E. Fuller or Harry W. Ramsay.

Appeal Taken From Treasury Fee Ruling

H. W. Regan, San Mateo realtor, Joseph V. Gaffey, postmaster, and J. R. Murphy, city clerk, have filed motion for new trial against the County of San Mateo, Supervisors Fred E. Beer, John W. Poole, H. H. Smith, James S. James, and Alvin S. Hatch.

The three are suing as assignees of Harry Jenkins, former county treasurer, and seek to recover the inheritance tax fees due the county

Burlingame Plans New Business Area

BURLINGAME, Mar. 29. — The vexing problem of whether or not to rezone Chapin Ave. from El Camino Real to Primrose Rd. appeared to be solved today, following some six months of study. The Burlingame City Council, following an hour-long session

with planning commissioners last night, announced through Mayor W. W. Hives that the avenue, heretofore residential, would be opened as a business section. "The city council will declare its intention at the next meeting to go through with the rezoning," Mayor Hives stated.

By special dispensation of the Michigan Department of State, the Detroit Red Wings have 1939 license numbers R-W 1-100.

Workers' Alliance Complaint Answered

Complaint of Brisbane Local, Workers' Alliance, that the County Welfare Department is acting in collusion with SRA and WPA to declare certain relief clients unemployable and return them to direct relief was answered by Adrian

ward, welfare department official. "The quarrel of the alliance is with SRA and WPA," he said. "We must accept their rulings on employability, although we want as few direct relief clients as possible." The complaint, addressed to the board of supervisors, was signed by Sidney Stribling, secretary of the local, who said he was on direct relief for 44 days. Ward explained that Stribling and his family moved to Brisbane

from San Francisco, where they had been relief clients. Although they could not qualify as San Mateo County residents, provision was made for the family and one month was waived from the residential requirements. Stribling is now working for WPA, Ward pointed out. Another direct relief case, Curtis Richards, has been discharged twice by WPA with the request that he be not certified again, Ward explained.

Young Evangelist In Services Here

Rev. Floyd McWhinney, Colorado evangelist, is conducting a series of services at the Full Gospel Church in Redwood City, meetings being held every night this week at 7:45 p.m. except Saturday, according to Rev. William Savidge, pastor.

"Evangelist McWhinney is an unusual and rare type of preacher," Mr. Savidge declared in announcing the services. "He is a young man of magnetic personality; ardent, and an amazingly enthusiastic preacher. While his preaching is accompanied by considerable acrobatics, his message is the product of much prayer and study and finds its way into the hearts of the people."

Prayer will be offered for the sick at each service.

The church is located on Roosevelt Ave. opposite Cleveland St. The services may be continued next week.

arrested three persons and confis-
cated nine illegal slot machines.

Undersheriff Lawrence Nieri and

91 T. B. Tests Show
Positive Reaction

That 83 freshmen students and 8
food handlers given tuberculosis
tests at Sequoia High School last
week showed positive reactions was
revealed here when a checkup of
results was completed.

While the positive results do not
necessarily mean that the children
have tuberculosis, they do mean,
officials of the San Mateo County
Tuberculosis and Health Association
pointed out, that the youngsters
should be X-rayed and examined by
their physicians to determine if the
germs have caused any damage.

The association is making ar-
